Our Road

We gaze down the road
that lies before us.
To walk, to run, to stumble, to stand still-
The choice is ours.

Our hands reach to touch the future.
Our mouths speak out to be heard.
Our minds yearn for more.
Our dreams wait to be fulfilled.

We take the first step down the road
and glance behind us as a single tear
slides down our cheeks.

Dust may cloud our eyesight
Obstacles may block our footsteps
Our minds may wander
Our dreams may become hazy.

But we can and we will
leave our distinct footsteps on the road less traveled.
Each unique and each beautiful.
We will stride.

HIGH SCHOOL SPECIAL DEDICATION

MR. DADONNA

FOR HIS TIME AND SERVICE TO THE WALTHAM SCHOOLS AND THE CLASS OF 1995

My cousin Jennifer Smith and I have been asked to make a special presentation to our retiring superintendent, Mr. Jack Daddona, better known to Jennifer and me as Uncle Jack. There have been some advantages and disadvantages to having an uncle as the superintendent. When I was in the first grade he came into our class to visit. I yelled out from the back of the room, "Hey Jack!!" My teacher, Mrs. Johnson, was not pleased. One of the biggest advantages to the relationship was that when he decided to call school due to snow, our Aunt Sue Ellen would call us right away so we never had to listen to the radio or watch TV for the cancellations.

After forty years of working the Waltham Public Schools, Mr. Daddona has retired. At his retirement dinner, he spoke of how almost his entire life up to that point had been spent in the Waltham Public Schools. From kindergarten to graduating in the Waltham High School Class of 1950, he was a student. He then attended the University of Denver. Before he went to college, the farthest he had been from his Williams Street home was to go to Walden Pond and Boston. After his college graduation, he returned to Waltham to teach. He was then employed in the school system as an assistant principal, the assistant superintendent, and the superintendent of schools. The only time he was away from the school system was the four years he spent in Colorado.

It is clear that Mr. Daddona has been and always will be committed to the city of Waltham and its pupils. In thanks for his dedicated service and many hours of hard work, the Waltham High School Class of 1995, his last graduating class, would like to make this special dedication to a man we, and the Waltham Public Schools, will not forget.

by Ben Arnold and Jennifer Smith

HIGH SCHOOL DEDICATION

MR. HALLION

At the National Honor Society/Student Council Banquet, Mr. Thorp told us that an inspiring teacher is one who doesn't teach facts, but teaches kids. This is a perfect description of none other than Mr. Paul Hallion. He is this and much more.

Born on Christmas Day, 1954, in Boston, Mr. Hallion grew up in Roslindale. He attended Boston Technical High School and continued his education at Fitchburg State College from which he graduated in 1975. Since then, he has taught at Waltham High School, South Middle School, and returned to Waltham High in September of 1993, where he is currently teaching health.

Mr. Hallion is a man of many talents. Not only did he help coach our football team to a GBL and Division IB State Championship in 1991, but he also displayed an uncanny ability to make the whole school laugh. This was exemplified when Mr. Hallion made his grand entrance to host the Gong Show by swinging in on a rope. Not only did Mr. Hallion entertain the entire school at the Gong Show, but he also amused everyone at the annual Teacher Appreciation Dinner. He thought up clever games, such as Name That T.V. Show, for the teachers and students to play together, all the while making everyone laugh.

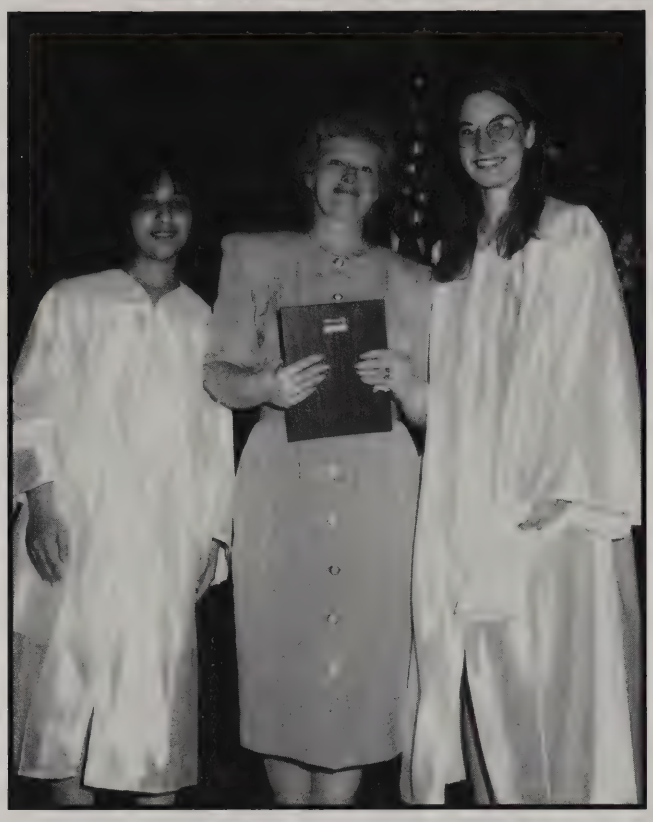
Mr. Hallion's class was one that every Waltham High student always looked forward to. The class time passed quickly beacuse he always threw in an occasional joke or "sidebar." But most important, his lectures on drugs, alcohol, and nutrition kept everyone interested because he taught us lessons more important than any math or english class could. From him, we learned how to maintain happy, healthy, successful, and long lives.

As senior housemaster for a week, Mr. Hallion made everyone take smoke detectors into the bathrooms or gave someone a random Y.O.U. test. Though this may have seemed like an act of tyranny at the time, it was truly one of Mr. Hallion's many acts of concern for his students. By making us take a smoke detector to the bathroom he kept non-smokers from having to breathe second hand smoke and prevented smokers from having that extra cigarette.

Almost every student at WHS has the utmost respect for Mr. Hallion. He is someone any student can talk to. He is a good listener, offers good advice, and has the ability to put a smile on everyone's face. Although Mr. Hallion wanted to be a weatherman (and he perfectly fits the part), the Class of 1995 can't thank him enough for not getting up for his early geology classes, even though he was the only teacher to smile as he handed out blueslips. We wish to thank Mr. Hallion for everything he has done for us, for his sense of humor, for his dedication to our class, but most importantly for the friend we have made in him. The Class of 1995 is proud to dedicate this year's *Mirror* to Mr. Paul Hallion.

by Lora Mulone

HIGH SCHOOL DEDICATIONS



MRS. SMITH

The Class of 1995 would like to recognize a very special woman, Mrs. Merrily Smith. She was a member of the Waltham HIgh School Class of 1950. She attended Aquinas and Lasell Colleges. Mrs. Smith joined our house office in January of 1992 during our sophomore year.

Each morning as we lined up in the house office to sign in late, we were greeted by a familiar friendly face. As the day wore on, Mrs. Smith would deal with the phone ringing off the hook and students continually asking for the bathroom key or looking for Mr. Thorp. She handled all of these things calmly and with a smile.

Mrs. Smith worked hard with our class officers to make sure our senior year was one to remember. Events such as the Senior Dinner, the Senior Prom, Scholarship Awards Night, and Graduation couldn't have happened without her help.

She has assisted in more ways and with more things than we could possibly count. For this, we the Class of 1995, thank her profusely. Because of her undying effort and commitment, we dedicate the 1995 Waltham High School *Mirror* to Mrs. Merrily Smith.

MR. GRANT

There are many teachers at Waltham High School who give a lot of time to the students. However, this individual spends more time at the high school than most teachers. He is a graduate of the Waltham High School Class of 1964.

He then went on to Boston State where he received a bachelor of science degree and a masters degree in education. He joined the teaching staff at Waltham High in 1968.

He is a coach of the Hawks championship ski team as well as a great physics teacher. He became the yearbook advisor in 1992. Learning the skills needed to produce a good yearbook was tough work, but he persevered and produced three award winning books with another winner on the way!! He has spent countless hours after school and on weekends checking ads, approving layouts, and keeping the yearbook staff motivated. We thank his wife, Norma, and his three sons for their understanding and apologize for the hours that he is away from them.

It can get very frustrating in the yearbook office at times, but he seems to keep everything under control and never loses his patience. He has a great sense of humor and a lot of heart. He makes a tough commitment seem very easy. Thank you for a job well done!

For all the reasons mentioned and many more not mentioned, the Class of 1995 chooses to dedicate this year's *Mirror* to Mr. Stephen Grant.

VOCATIONAL DEDICATIONS

JEFFREY BARRY

The Waltham Vocational High School would like to honor someone who was very close to many of us. His name is Jeffrey Barry. Born to Mary and William Barry in Waltham on December 29, 1975, he was a brother to George and Julie Barry. When Jeff was growing up, he and his family would spend weekends and summers at their summer home in Plymouth. The Barrys was a family that believed in the family.

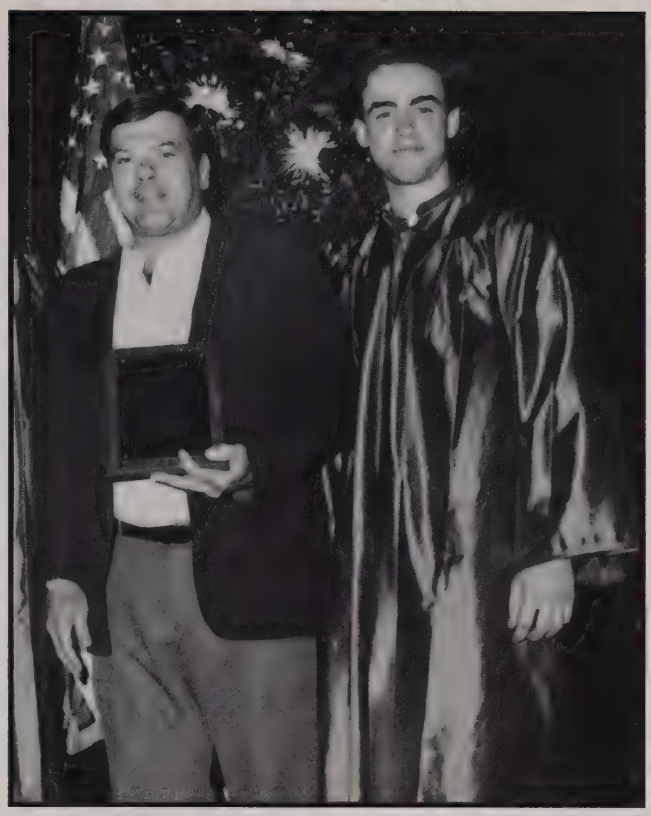
Jeff attended the Bright Elementary School, South Middle School, and the Waltham Vocational High School. He was enrolled in the Auto Mechanics department at the Waltham Vocational High School. Whenever anyone needed help doing something in the auto shop, Jeff would be more than happy to help. Jeff always had a smile on his face.

While he was in high school, Jeff worked at Pine Street Automotive doing what he loved most, repairing cars. He was such a good mechanic that Pine Street Automotive offered Jeff a full time position after his graduation from high school in 1994.

On a rainy Saturday night, January 15, 1995, Jeffrey Barry would spend his last evening having a pleasant supper with his girlfriend, Wendy, and many of his friends from school. Driving on Totten Pond Road in his Mustang, feeling the proud power under the hood, he would take a corner on this wet and slippery road and lose control.

Jeff didn't have time to say goodbye. This dedication is a goodbye, to a person who loved his family, his friends, and his cars.

by Michael DiGregorio



MR. DELANEY

The seniors of the Waltham Vocational High School would like to dedicate our section of the 1995 yearbook to Mr. Michael Delaney.

Mr. Delaney is a classroom and shop instructor in the Carpentry and Cabinet Making Department of Waltham Vocational High School. He is one of ten children born to Leo and Estelle Delaney of Waltham. He is married to Marsha DeVoe Delaney, the most patient person we have ever met. They have three children, Stacey, Jennifer and Jeffrey.

Mr. Delaney attended the Waltham Vocational High School and the University of Massachusetts in Boston. He is a member of the Carpenters' Local 275 and worked in the carpentry field for over twenty years before joining the staff of the Vocational. He has dedicated eleven years of his life to teaching at his school.

We extend to Mr. Delaney our gratitude for his years as a teacher and as a good friend to the students and staff at the Waltham Vocational High School. We thank him for all he has given us.

FOOTBALL

The 1994 Waltham High Football team had a good season this year. They finished with a record of seven wins and three losses. The team was led by senior tri-captains Shawn Feeney, Brian "Bubba" Starbird, and Mike Egirous. This was a momentous year for Shawn, who broke the single season rushing record held by Steve El Masery for fourteen years. The record, which was 1331 yards, now stands at 1409 yards.

There were a total of sixteen seniors on the 1994 team, and all of them made great contributions. Some key players include Mike Fratto, Mike Veilleux, Brian Wilder, and starting quarterback Mark Schofield. Many underclassmen had key roles in the season, including kicker Joe Connolly, Royston English, and Steve Connaughton.

There were many big games, but two wins really stand out. Weymouth was a significant win because it was the first game of the season and set the tone for the rest of the year. Arlington was by far the best game the team played on both sides of the ball. It was the last home game, and the team wanted to make it memorable.

The team had a great season and played their hearts out in every game. The seniors were a close group and worked extremely hard in the off-season. The goal at the beginning of the season was to win a GBL title and go to the Super Bowl. Unfortunately, things didn't work out that way.

The goals of the underclassmen are to win a GBL title and continue the winning tradition. The team will be led by the players mentioned above, and, of course, others will come through for the team. There is a lot of talent in the younger group and with commitment, they will do well. Good Luck.

FOOTBALL CHEERLEADERS

Please don't drop me! Jaime Bonica

The Football Cheerleaders surpassed all expectations this year, including their own. Ten new cheerleaders were chosen, eight of them seniors, many having no experience. With these additions, as well as new coach, Denise Gullotti, the team had to adjust to new faces as well as new styles. However, the team pulled together to earn a Superior trophy at the Emmanuel College cheerleading camp over the summer. Co-captain Jaime Bonica was chosen as a UCA All-Star and traveled to London to perform with other cheerleaders from all over the nation. Co-captain Jennifer Lucas and veteran seniors Julie Ricci, Angela DiSeglio and Andrea DiLuzio also helped provide a strong base to build the team on. With the new cheerleaders came energy and an eagerness to learn that inspired their teammates. Although they were unable to compete, the cheerleaders showed extraordinary endurance by coming together to help make the season an extremely successful one. *by Jen Lucas*

BOYS' SOCCER

Jim watches the ball go!

The Boys' Soccer team surprised the other Greater Boston League teams by having a highly successful season, which included a six game win/shutout streak. The Hawks were led by coach and mentor Kelvin Bernard and senior co-captains Mike Brown and Tim Puglielli. Returning seniors Joe Cirino, Joe Basl, Juan Carlos Barrera and Jim Boudreau also contributed to the success of the team.

The 1994 season was important because the team got to see the future of the WHS soccer program. Underclassmen Chris Postizzi, Wilder Chilin, Jose Juarez and Shawn Rosenberg showed that the next few seasons will be winning ones. The 1994 Hawks were one of the best boys' soccer teams Waltham has seen in a long time. The squad made it to the Eastern Massachusetts Division I tournament before bowing out to North Andover. With the strong core of underclassmen, next year's team should be just as successful.

GIRLS' SOCCER

For the first time in history, the Waltham High Lady Hawks Soccer team captured the Greater Boston League title. With eleven returning varsity players, including senior tri-captains Danielle LeGros, Meredith Rooney, and Michelle Savoie, the Lady Hawks knew they had a strong team.

After starting the season off strong with three wins, they knew anything could be accomplished. The Lady Hawks' only league loss came when they were defeated by the Peabody Tanners, 2-0. That was a wake-up! The next game was the game that started the winning streak. Waltham beat Medford in a close 1-0 game. The Lady Hawks continued to win every game, crushing every team in sight. Even the defending GBL champions, Arlington, went down in defeat against Waltham.

With the winning streak continuing, it was time for the second half of the season. Now was the time for a rematch with Peabody. This time the Peabody Tanners had to travel to Waltham to face them. This was the Lady Hawks' only chance to pull out of a three way tie for the GBL title with Arlington and Peabody. The Lady Hawks knew what they had to do, and they did it! They absolutely crushed Peabody with a 5-0 win.

For the remaining games, the Lady Hawks continued to be victorious. The Lady Hawks were tied for first place going into their last GBL game against Arlington. This was the game which would determine the champion. Arlington thought they would win the game easily, but Waltham showed them what the Lady Hawks could do. Not only did they beat Arlington, they destroyed them 3-0 and went on to become the Greater Boston League champions.

Winning the league placed the Lady Hawks #5 in the seeding for the state tournament. They played 12th seeded Framingham and were defeated 2-1 after eighty minutes of regulation play and double overtime. It was a very close and exciting game. The Lady Hawks had hoped to go farther into the state tournament; however, they left the field with no regrets, knowing they had made their best efforts, and knowing they were the first Waltham Girls Soccer team to win the GBL title.

VOLLEYBALL

Rule number: NEVER QUIT! The Lady Hawks followed this rule throughout their entire season. The final record of five wins and twelve losses doesn't do the Hawks justice. With only three returning varsity players, Coach Laraine Bogosian had her work cut out for her.

The team had a lot of new talent, which prevailed. Senior tri-captain Alyssa Ricci was an extremely aggressive player at the net. Also covering the net as hitters and blockers were senior tri-captain Jaime Anderson, juniors Sandy Ehwa and Kim Drake, and sophomore Lisa Connors. However, to be hit, the ball must be set well. Sophomore tri-captain Noel Cunningham and junior Tina Pugliese did just that. A game can't be won if the players don't get serves in. The team could always count on Kim and Noel to get the ball over the net.

Through hard work and determination, the Lady Hawks had a few big wins. The first goal was to beat last season's GBL co-champs, Cambridge, and they did just that. The next big challenge was Somerville. The Lady Hawks lost the first time around, but came back for revenge in the second match to win against Somerville. During the final week of the season, they beat Masconomet, a team that was in first place in its league. By giving it their all in their matches, Kim Drake and Noel Cunningham proved to the league that they were Greater Boston League all-stars, awards they received at the break-up dinner.

As a team, the Lady Hawks learned to work with each other through good times and bad. This team had a chance to play in the tournament right down to the last week of the season. The team is losing only two seniors so next year's Lady Hawks are on the prowl!

GIRLS' CROSS COUNTRY

Leading the pack! Jenn Wilson

Taking the homestretch! Leah Burnett

The Girls' Cross Country team ended the 1994 season with a 5-3 record and placed second in the league. Senior Leah Burnett had her best season, placing fifth in the league. A league all-star and two time *Tribune* all-star, Leah was captain of the team this year. Senior Jen Wilson also put forth a lot of effort. Although she struggled with injuries, she mananged to stay as Waltham's #3 runner. The team's strongest runner, junior Katie LeClair, finished first in the league and was the league MVP. With only two seniors leaving, the cross country team is sure to continue to do well.

BOYS' CROSS COUNTRY

Chris and Jarred race past Somerville.

The 1994 Waltham High Cross Country team saw its first 500 season in many years. Coached by Kent Hales, the team had a season of four wins and four losses. The team was led by co-captains Chris Maniachi and Jude Seminara, and seniors Peter Seminara, Chiroyu Patel, Jason Burke, Mike King, Lee O'Hearn, and Meehir Patel.

There was one big win that helped the team achieve their record. This was the defeat of the Somerville Highlanders in a close home meet. Jason Burke led the team in every race. He was undefeated in every dual meet and broke the course record, which he had set last season.

This season was one of the best the Waltham Cross Country team has ever seen. There was a good turnout compared to a few years ago when there weren't even enough runners to qualify. Hopefully this will continue, and the cross country team will continue to succeed.

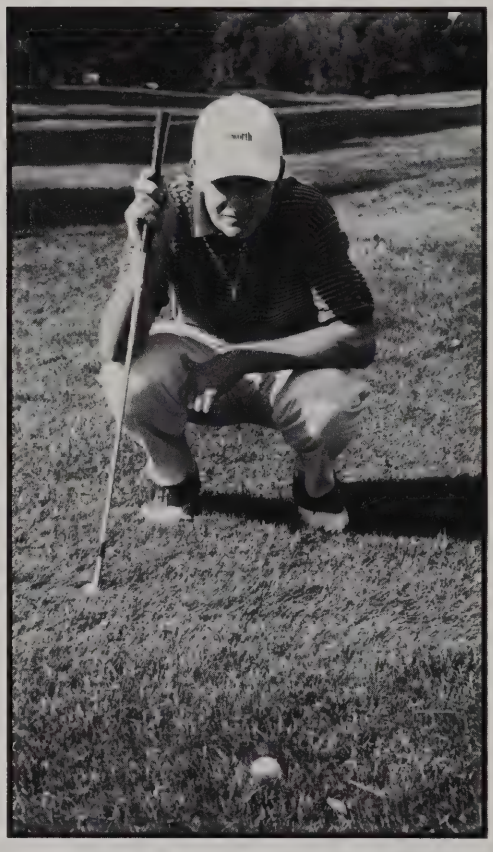
LaVal, setting up the perfect angle!



The Waltham High Golf team had another outstanding year. They posted a record of 12 wins and 2 losses and just missed the Greater Boston League Championship. Their overall record, including non-league games, was an impressive 14 and 4.

The golf team was led by Coach Sorin and senior co-captains Jeff LaVallee and Kevin McMahon. Seniors Jim Dowdy, Steve Arnold, Frank Parker, Chris DeVoe, Ben Arnold, and Brian McHugh also contributed to the team's success. Junior Sean Brophy and sophomore Adam Campana were powerful assets to the team.

Coach Sorin took the team of Jeff LaVallee, Kevin McMahon, and Steve Arnold to the Sullivan Tournament, where they placed second overall. Team members Jeff LaVallee, Sean Brophy, Kevin McMahon, Steve Arnold, Jim Dowdy, and Frank Parker also competed in the State Meet. They finished in seventh place, which was the best finish in the history of Waltham High Golf. Waltham placed higher than Peabody, which was gratifying to the players because Peabody won the GBL championship, leaving Waltham with second place.

The Waltham High Golf team had a successful year. They performed well at the Sullivan Tournament, and did their best at the State Meet. The Golf team will lose six of its starting players. However, with Sean Brophy and Adam Campana left to lead them, the golf team will continue to succeed.

SWIMMING and DIVING

The Waltham Co-ed Swimming and Diving Team finished the season with a splash by winning the Greater Boston League title and ending with a record of 10 wins and 1 loss. The swimmers practiced long and hard, swimming double sessions during Christmas break. Other teams were shocked to hear that they had swum 60,000 yards in one week! The team experienced some exciting and close meets such as Peabody, Gardner, and Malden.

Philip Richmond III and Pamela Penton were the two successful swimming coaches, along with diving coach Mary Eagan. They worked the team extremely hard, but in the end it paid off. The team was led by senior quad-captains Jenn Wilson, Caroline Comeau, Maryellen Muchowski, and Kevin Delaney.

The seniors made up a big part of the team. They included Steve Farrell, Arlene Martin, Jon Clark, Sharon Dowd, John Neville, and diver Angela D'Allesandro. A few key underclassmen such as Scott Rogers, Sean Lord, James Lunderville, and LaLanya Twitchell helped the Hawks swim to victory.

The team showed its strength by winning the GBL title for the third year in a row. In addition, the swimmers and divers won the league meet at the end of the season, proving they deserved the GBL title. The team sent more swimmers than ever before to the Eastern Mass. Sectional meet. A few swimmers also made it to States, including senior Steve Farrell.

Four records were broken in the season. Alison Fox broke the 100 yard backstroke record; Lalanya Twitchell broke her previous breaststroke record; Scott Rogers, James Lunderville, Sean Lord, and Steve Farrell broke a record in the 400 free relay; Caroline Comeau, LaLanya Twitchell, Alison Fox, and Maryellen Muchowski broke the 200 yard medley relay record.

Although the team graduates ten seniors this year, the future looks good for the remaining swimmers and divers. Some of us have hung up our suits to dry; others will bring their Speedo's to school next season. We all have our share of memories, yet one memory we all will keep is, "Last one, make it a good one."

BOYS' BASKETBALL

Brian soars above the competition!

The 1994-95 Boys' Basketball team finished the season with 10 wins and 11 losses. The goal from the beginning of the season was to win ten games and qualify for the state tournament. The team did this by winning four of their last five games, including an emotional overtime victory against St. John's Prep.

The Hawks were the underdogs against Haverhill in the state tournament. Playing one of their best games of the year, they took the number three seed in the North Sectional to overtime. Although the Hawks lost 100-91, fans and coaches agreed that Waltham had earned some respect.

The Hawks were led by senior tri-captains Brian Wilder, Mike Fratto, and Kevin Fay. Other contributing seniors included Shawn Feeney, Thierry Pelissier, Leo Rosales and Mark Fitzpatrick. This year's team would not have been complete without juniors Andrew Gullotti and Dan Caterino, and sophomores Patrick Pelissier, Russell Bonilla, Chip Raines, Ricky Burke, Terry Hines, and Dan Tortola.

BASKETBALL CHEERLEADING

The Waltham Basketball Cheerleaders had a very successful and exciting year. The team excelled at regular season games as well as at two cheerleading competitions. With hard work and dedication from the coach, the captains, and all the cheerleaders, the squad fulfilled its goals. Denise LeLievre lead the team as head coach for the second year. The co-captains were juniors Corrine Connor and Tara Ripley. The rest of the squad consisted of seniors Dawn Buchanan and Jennifer Smith, juniors Randi Dalicandro, Jessica D'Angio, and Marge Samaria, sophomores Vickie Anderson, Lisa Bourgeois, Christine Dagostino, Melanie Marcou, Brenda Marini, and Alison Welch, and freshmen Wendy Allen, Katie Fay, Nicole LaVallee, Katie McCue, and Sarah Zammuto.

The team's most memorable achievements were the victories at both of the invitational competitions that it entered. At the first competition the cheerleaders walked away with trophies for 1st Place, the Originality Award, and the Stunts, Jumps, and Extras Award. At the second, and more challenging, competition, Waltham received another 1st Place Award. With individual talent and team unity, the Waltham Cheerleaders excelled beyond their goals and shared many good times.

With the loss of Stacey Connors, it appeared that the Girls' Basketball team would not live up to its previous record. These athletes astounded everyone when they jumped to an undefeated record in the first ten games, capturing a place in the MIAA tournament early in the season. However, due to illness and injuries, the squad split their last ten games and finished the season with fifteen wins and five losses, ultimately reaching the second round of the state tournament.

This team was like no other due to its spunk and character. Junior forward Sandy Ehwa wrote a poem describing this group of hardworking girls.

Let me introduce a team I know well
Trust me each player has a story to tell
O.K.-that's enough-time to begin
Careful or you might catch yourself grin.
Marz is sharp and quick on defense,
Some things Katie says to me make no sense,
They call Noel "Slam, Bam Cunningham,"
I, however, am simply the "Garbage Man,"
Potty's one dribble takes her to the hoop,
It's only Patty whose shorts seem to droop,
Poor Ang-her mouth is still sore,
To watch Paphay's layups is never a bore,
Co-Captain Alyssa loves her pot belly,
While Skidda has ankles made out of jelly,
Tara reaches for backboard every day,
Sometimes I think we scare Lisa away,
Each day this team is better and stronger,
Tourney bound they will play much longer.
Almost forgot-thought I was done-
I would have left out some of the fun.
Coach Connors and his great games of SPUD,
Markie Mark hits us each with a thud,
Then there is "Nugent Nugent Dunkin' Donuts,"
Who is always on the bus when we go nuts.
I promise you now my poem is complete.
Our team will reach victory, never defeat.
Remember, only time can show
Just how far the LADY HAWKS will go!

At the conclusion of the season, senior captain Alyssa Ricci, junior captain Patty Connors, and sophomore Noel Cunningham were named Greater Boston League All-Stars.

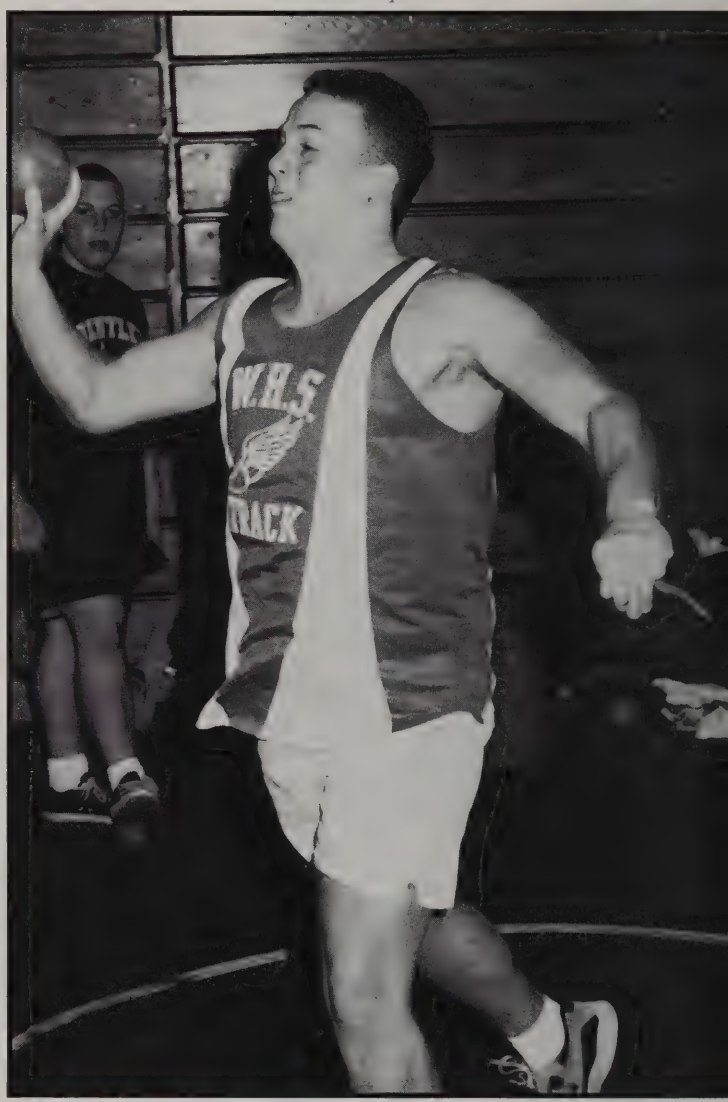
BOYS' and GIRLS' INDOOR TRACK

Throw that shotput, Bubba!



The Waltham High Boys' Indoor Track team, coached by Dan Keohane and Ernie Glynn, ran to a record of five wins and three losses. For the first time ever, the boys beat the Peabody Tanners, in their second meet of the season.

Coach Keohane and Coach Glynn conducted practice five days a week, both at Brandeis University and Waltham High School. The team was led by senior captains Jason Burke, Mark Schofield, Jude Seminara, Peter Seminara, and Brian Starbird.

Several seniors consistently picked up points during the season. Jason Burke went undefeated during the dual meet season in the mile and the two mile. He placed fourth in the state in the two mile. Mark Schofield placed among the top three in every three hundred yard race, and placed 26th in the state class meet. Jude Seminara placed first in all but three six hundred yard races, and place among the top twenty in the state class meet. Peter Seminara captured points in almost every race of the thousand yard, and Brian Starbird scored at every meet in the shotput. Brian McHugh also captured points in the fifty yard dash.

by Jude Seminara

The 1995 Girls' Indoor Track team, though consisting of mostly underclassmen, pushed its way to one of its top finishing records. Senior Co-captains Jaime Bonica in her fourth season and Leah Burnett in her third worked their young stars to obtain ten state qualifiers. The captains, both experienced state-qualified runners, placed extremely high in the State Class A meet. The 880 relay team, consisting of freshman Jill Barnes, juniors Katie LeClair and Julie Aucoin, and senior Leah Burnett, placed sixth and moved on the All-State meet. Junior Katie LeClair took fourth in the mile at the class meet, while freshmen sprinters Jen Drew and Michelle Bernier, sophomore Roxanne English, and junior Rhonda Surette had their own success stories.

WRESTLING

A winning tradition began at WHS in 1995. Respect for the school wrestling program, as well as for the sport, has been growing in the past few years and the '94-'95 Wrestling team finished with a Dual County League record of 4-4, and was 12-9 overall. Placing 6th in their section of 13 teams and 21st in the state tournament of more than 40 teams, the Hawks were very successful.

Reflecting back on the season, many images and feelings surface. The satisfaction of defeating Minuteman Tech still lingers, and the victories over Framingham and Boston Latin stand out as two of the team's best wins.

Coach Ted Neill states that this year was one of the most exciting he has had at WHS. There were many remarkable wrestlers on the team. These included senior tri-captains Gregory Ridino, Mark Politis, and Chuong Ly.

Ridino's regular season was packed into two weeks. His record in this short time was 1-1. He only lost to the number one seed from Malden, and finished second in the section.

"Politis is the most durable wrestler I've ever coached," boasted Coach Neill. Politis wrestled more than forty matches and won about half of them. He was a very important part of the dual meet matches.

Ly was bumped up a weight class or two and was well utilized. He won about three-fourths of his matches. Ly was the only four year varsity wrestler on the team.

Other seniors involved included Mark Vellante, who enjoyed participating in the sport, and William Pouliot, who was a first year wrestler and won some very good matches.

Future prospects for the team seem bright. Coach Neill has been with the team for five years and intends to stay a few more. He is very encouraged by the strength of the underclassmen wrestlers. Next year's co-captains Michael Collins and Bill Foster will most certainly have an eventful year in the next season, and under Coach Neill's tutelage, the wrestling program at WHS will remain healthy and strong.

SKIING

The Waltham High School Ski teams overcame a major obstacle on their way to a successful season: the lack of snow. Many people were happy there was little snow this year, but for a skier, this can doom the sport. This lack of snow postponed the start of the season by a month. Once the season did begin, the Hawks raced twice per week. This didn't allow time for any practices. The Hawks were able to overcome these hardships and turn in a successful season.

The girls' team was dominant once again. They were undefeated in league races for the fourth straight year. The top seven skiers for the Hawks were very similar in ability; if someone fell, someone else would step up and pick up the slack. This is what enabled the girls to be so successful. The team was led by seniors Meredith Rooney, Melissa Jones, Danielle LeGros, Payton Lucas, and Kristen Rock. In the state meet at Berkshire East, the girls turned in yet another tremendous performance, placing fourth against the best teams from all over Massachusetts.

The boys' team also had a successful season. They finished the season in third place in the league. By way of this performance, they also qualified for the state meet. The boys turned in a strong team effort and were able to finish in seventh place. The boys were led by seniors Brian Fitzpatrick, Greg deHollan, Jim Boudreau, and Jim Dowdy.

HOCKEY

The Hawks keep the puck out of the net!

In a rebuilding year, the predominantly young hockey team put forth a fine effort throughout the '94-95 season. Coached by John Maguire, the Hawks had two big wins against Somerville and had a thrilling 5-4 defeat over Peabody, holding off the Tanners in the final minutes of the game. The hockey team gave outstanding efforts against Brockton, Needham, and powerhouses Revere and Medford.

Co-captain and team MVP Mike Losier led the team in scoring with help from co-captain Tim Sullivan and senior forward Adam Centofanti. Senior Jerid Chiasson led the hockey team defensively. Even though the hockey team was unsuccessful according to its scoreboard, their undying will to stay in the game and keep it exciting pumped in a large and very supportive crowd game after game. Because there are many talented players returning next year, the Hawks should have much success in the future.

This year the Waltham High School Hockey Cheerleaders were filled with more energy and spirit than ever before. The squad, consisting of fifteen talented girls, cheered the hockey team through a rough season.

With new coach Eileen Cox, and co-captains senior Lora Mulone and junior Lauren Bibbo, the hockey cheerleaders worked hard at perfecting stunts, jumps, flexibility, and, of course, cheering skills.

Seniors on the team included Amy Adams, Jaclyn Bolio, Barbara Butt, and Tobi Mullaney. Underclassmen who made significant contributions to the squad and will continue to lead the hockey cheerleaders to success in the future are juniors Jennifer Aucoin and Lauren Bibbo, and sophomores Melissa Bohannon, Leigh Cashman, Rachael Dennison, and Melissa Pilicy.

The hockey cheerleaders worked hard in the '94-'95 season and this was reflected in their stellar performances at the games. Next year, with returning underclassmen and new smiling faces, the hockey cheerleaders will be at the "top of the pyramid."

LACROSSE

Adam makes another save for the Hawks!!!

The 1995 Lacrosse team left its mark among the teams at the top. The Hawks had a memorable season at 14-3. Although they lost the tournament game 13-11 to Concord-Carlisle, they showed that their record was not a fluke. Seniors Jim Boudreau, Jerid Chiasson, Shawn Feeney, and Ryan Brennan were a large part of the team's success. Adam Centofanti was a stellar goalie, playing well from start to finish. Contributing juniors were Bobby Lyons, Ed Villafane, Bobby Dalton, and Tim Mahoney. Waltham has begun what it hopes is a new tradition in successful Hawks Lacrosse. This was the first time Waltham made the tournament in 17 years. Coach Steve Duffy predicts that it won't be the last.

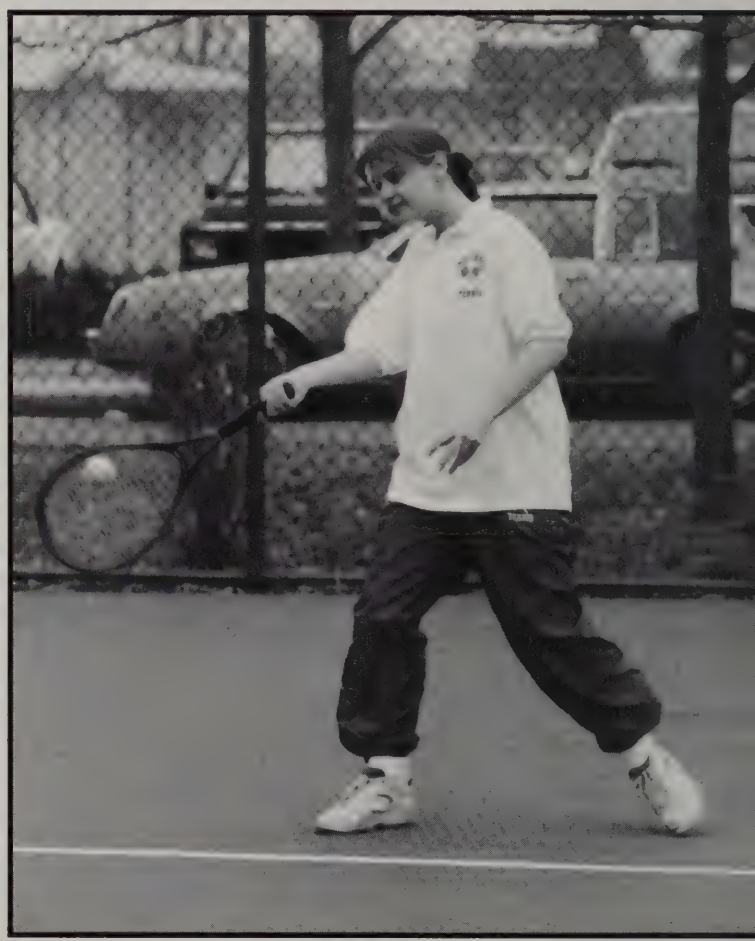
GIRLS' TENNIS

Game! Set! Match!!



The Waltham High Girls' Tennis team, coached by Jay Levine, was a very compatible and competitive group this season. Overall, the team had a record of twelve wins and four losses.

There were a lot of returning varsity players this year, along with a couple of new freshmen who contributed greatly to the team. Jana Dolnikova, playing 1st singles as a freshmen, posted a 12-4 record, while Chantal Marsoubian, playing at 1st doubles, won 75% of her matches. The returning varsity players included the team captains, senior Sharon Dowd, and junior Dawn Dagostino. Other juniors included Oubonrath Nithnhalay, Katie Stanton, and Meredith Cronin. Varsity sophomores Emily Stanton, LaLanya Twitchell, and Anita Chau also contributed to the team's success.

The GBL coaches elected both Jana Dolnikova and LaLanya Twitchell to the 1st all-star team. Sharon Dowd was chosen 2nd team all-star for her fine record in both 3rd singles and 1st doubles. Oubonrath Nithnhalay and Katie Stanton were chosen 1st team doubles all-stars.

The girls' tennis team has been involved in post-tournament play in four out of the last five years. Next year with an experienced team coming back, both the coach and the players feel very optimistic about winning their first post season match and possibly advancing further into the state tournament.

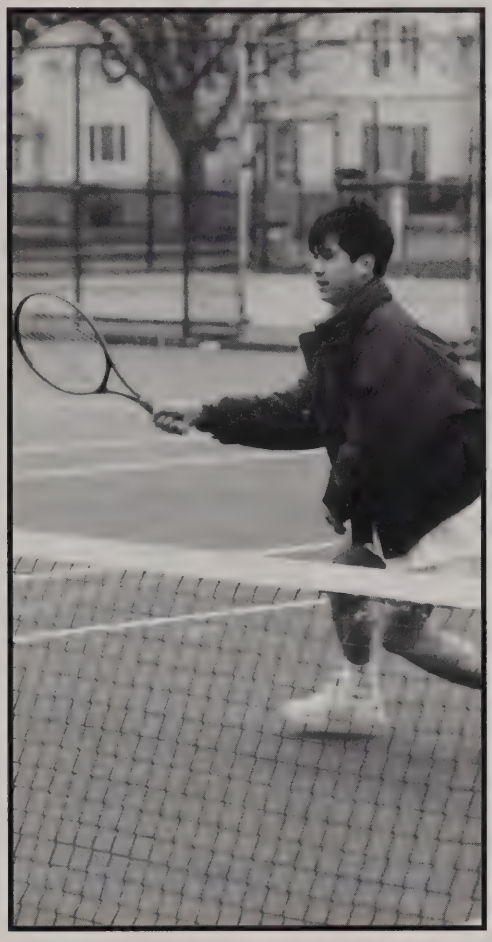
BOYS' TENNIS

Sissay goes for another win!

Trieu reaches for the ball!



The '95 season was one of the best in recent years for boys' tennis! The team compiled a record of six wins and eight losses, just missing out on the state tournament by one match! Junior Jon Capan anchored the team at number one singles with a record of eight wins and six losses. The team hopes to improve its record next year, and with some off season work, they will surely do so.

SOFTBALL

The Waltham Hawks Softball team finished the season with an impressive 16-5 record. They took the field in early April with the goal of making a fourth straight tournament appearance. They accomplished this by playing tough softball down the stretch. During the final week of the season, the Hawks played five games in just five days and came out victorious in four of those games. They defeated a tough team in Bedford and avenged an earlier loss to Everett during this stretch. The Hawks then had their toughest test of the season: a Memorial Day game with Medford, the top ranked team in Division I. They emerged victorious and clinched a second place finish in the GBL.

This year's team had a mix of veteran upperclassmen and rookie underclassmen. The Hawks were led by senior tri-captains Danielle LeGros, Alyssa Ricci, and Melissa Jones. Seniors Tara Flynn, Angela DiSeglio, and Michelle Beigh also provided an example for the underclassmen to follow. The Hawks were also well represented in the GBL all-stars. Melissa Jones for first base, Danielle LeGros as shortstop, Tara Flynn as catcher, and Alyssa Ricci as pitcher were the Hawks' all-star representatives.

The Hawks ran into a tough Lawrence team in the tournament and were eliminated. Next year's team will be young, but hopefully they can pull it all together and qualify for the tournament for the fifth straight year. The graduating seniors will definitely be missed, for they have been an integral part of the Hawks' success for the past four years.

BOYS' OUTDOOR TRACK

The Waltham High Boys' Outdoor track team had a super season this year. They went undefeated for a second consecutive season. This had never been done before by any other track team in WHS history.

The senior captains, Mark Schofield, Jude Seminara, Peter Seminara, Jason Burke, and Brian Starbird led the Hawks to victory. Mark Schofield and Jude Seminara secured the top spots in every 400 yard race. Peter Seminara placed in the top three in nearly every 800 yard race. Burke went undefeated in every two mile and placed in the top two in nearly every mile as well. Starbird scored in every shotput.

There were also many contributing underclassmen. Charlie Hogan and Joe Mazzola both shattered records in the javelin and the 330 yard hurdles respectively. Royston English won almost every 100 yard race.

In the league meet, English placed first in the 100 yard. Jude Seminara placed third in the 400 yard; Schofield placed fifth in the 200 yard; Peter Seminara placed fifth in the 800 yard; Hogan placed first in the javelin; Will Schoeck placed first in the shotput, and Mazzola placed second in the 330 yard hurdles.

These Hawks are ready to fly!

The 1995 Girls' Outdoor Track team ended their season with a record of four wins and five losses. Under the tutelage of Coach Kent Hales and Coach Judi Rivera, the girls competed in many track and field events, including hurdles, javelin, and shotput. This year's team was led by senior captains Leah Burnett and Jaime Bonica, both of whom made it to the state competition.

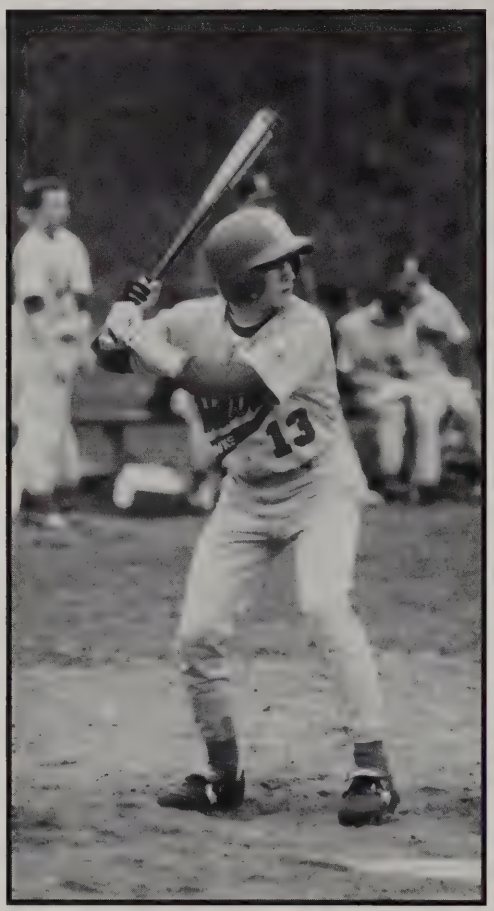
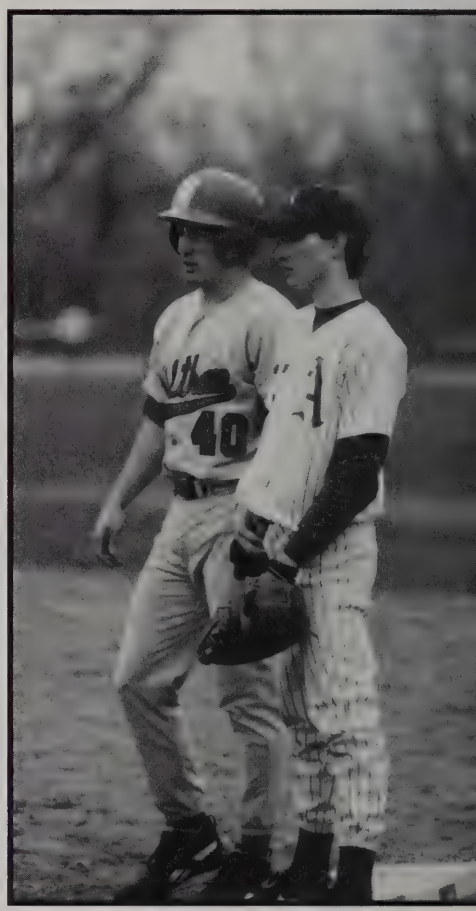
BASEBALL

Jason's ready to hit a home run!



Who is that up at bat?



The 1995 Baseball team had a very striking season this year. The team was coached by Coach Serge Clivio to a favorable year. Captains Mark Fitzpatrick and Chris DeVoe led the team to it's success. Fitzpatrick played shortstop and pitched this season and was exceptional at both. DeVoe played outfield, but his talent really showed through as a defenseman, earning him the Hawks' Outstanding Defensive Player Award. Both seniors made GBL All-Stars, as did senior right fielder Mike Veilleux, junior first baseman Steve Connaughton, and sophomore outfielder Mark Felt. Seniors Steve Arnold and Jason Valdanbrini also contributed to the success of the team. Although the Hawks are losing several seniors, the team will surely continue to succeed in the following seasons.

Academic Decathlon

A year ago, they were a young team. With one sophomore, seven juniors, and just a single senior, they had youth, but not experience, on their side. Without this experience and extensive practice, the academic decathlon team had struggled to eleventh place in the state, Waltham's worst placement ever. This year, the decathletes had experience, age, and practice on their side. This showed through at the regionals competition held November 19, 1994, at Franklin H.S. The team finished in fourth place, much better than anyone had hoped to expect, and took home a whole collection of medals, including a trophy for the best varsity student in the state, won by Phil Saulnier.

This success pushed everyone to work harder towards the ultimate goal of winning states. Every Sunday morning found the team in school practicing. While others spent February vacation in warm, sunny places, these students spent it in the "Vienyard." The alternates' competition in February was further proof that Waltham would be a challenge for other teams to beat. Finally, the speeches were ready, the interviewing skills had been polished, and Waltham was ready for states.

At state finals, held March 4, 1995, at Framingham H.S., the decathletes put everything they had on the line. While they did not fulfill their wildest dreams, they finished an exciting fourth. Waltham bested many of the top academic programs in the state, and had the three ahead of them, Acton-Boxboro, Franklin, and Wellesley, looking over their shoulders to see if Waltham would catch them.

It was a day of great highlights for the Waltham decathletes, one of which great memories are made. Just to witness the awards ceremony was enjoyable in itself. To see Frank's smile and fist-pumping over his medals, despite attending fewer meetings than Mr. Viens has hairs on his head; Alex's huge grin when his name was announced as a winner, even after claiming not to care; Gaurav's impressive first medal-for the best essay in the state; Taline's pride and joy after finally coming through with a great day and a math medal; Chuck's leap after winning the gold in Fine Arts he knew he could win, but feared he had lost; and Phil's prancing, twisting, falling, and jumping at every good sign for Waltham, including his own countless medals. M.C. could be seen glowing over his own solid scores and leaping to congratulate his teammates, and everyone knew that none of them would have done this well had it not been for their captain Ajay pushing them all year to work hard. Perhaps the greatest sign of the team's success—after a day of tests in economics, American history, science, literature, math, and fine arts; plus an interview, an essay, a speech, and five final questions about biotechnology—was summed up in coach Mr. Viens' grin, which seemed to say, "Yes, we've done well!"

1995 MIRROR STAFF...

The 1995 Mirror staff has once again completed another successful yearbook. For many of the staff members, work on this yearbook began at the end of our junior year with Yearbook Camp. Armed with the knowledge of cropping, editing, clicking, and dragging, we began "crunching out the pages" in the fall. Many students, including Kristen and Melissa, gave up free studies and time after school to work on the yearbook. Amy put together the portrait section while Payton sold the yearbooks every morning during homeroom. Lora kept in touch with our photographer, Terry, to make sure he and his camera were present at all our events. Taline gathered stories on the sports and events of the year as Mariana prepared the layouts for these pages. Meanwhile, other staff members were busy raising money to pay for this yearbook. Danielle took charge of selling ads to local businesses, while Jodi took over the telemarketing. Amanda took care of the fundraising within the school, including the carnation sales. Caroline and Megan made sure all the figures were entered correctly into the computer so we would know just how much money we did and didn't have. Tara Ripley, although just a junior, became and integral part of our yearbook staff in preparation for her own yearbook next year.
(continued on next page...)

Bottom Left: Want to buy a carnation? Amanda.

Bottom Right: Lora dedicates the yearbook to Mr. Hallion at Awards Night.

Kristen, Meredith, and Payton outside on yearbook candids day.

Many of us continued to work on the yearbook through the long summer days (proving that "committed" was the perfect word for us). The repayment for this came from the satisfaction of finally finishing this yearbook. However, none of this would have been possible without our advisor, Mr. Grant. He spent more hours working on this yearbook than the rest of us put together. He pushed us to keep working towards the goal of finishing this yearbook. It is because of all he has done as an advisor, a teacher, and a coach that this yearbook is dedicated to him.

by Taline Lorensian

Advisor's note: I personally would like to thank all the members of my staff, but especially Danielle, Mariana and Taline for their unwavering dedication and for giving up their summer vacation for the production of this book. Also a special thanks to Martha Heaton for proofing copy, to John Neister from Jostens Printing and Publishing for his design and technical support, and Terry Bleiler from Purdy-Vantine Studios for his many photos of the Class 1995.

Leave me alone! I'm trying to work! Danielle.

The Class of 1995 would like to thank Mariana, Taline, and Danielle for putting this book together.

Colophon The Waltham High School yearbook was printed by Jostens Printing and Publishing Division, 2505 Empire Drive, Winston Salem, NC27103. The Jostens in-plant consultant was Jakki Davis. The Jostens area representative was John Neister. The advisor was Steve Grant.

The 228 pages used 100# Gloss paper with black ink applied for the entire book. Approximately 48 pages were printed with the four process colors. The opening and Senior Portraits were printed on 90lb Eloquence paper.

Q, Mr. Grant, and Taline

Mike and Q

Cap'n Wayne the Stowaway!!!

The cover of the Mirror was designed by the yearbook staff and Jostens artist Rick Brooks. The cover was a truline embossed printed on kromecote material #284 with process inks with matte lamination and spainish grain applied. The binding was smythe sewn, reinforced and backed. The endsheets were Parchmatte #303. The photographs on page 1-3 and all the dividers were scanned on a Nikon Cool Scan color scanner and extensively altered using Adobe Photoshop 3 and Bryce 1.0 using a Macintosh power PC computer by John Neister.

All layout, design, copy and photographs were generated by Steve Grant and the staff. The 1995 Mirror, a 228-page publication, had a press run of 325 copies . Additional specifications may be obtained by addressing inquiries to The Mirror Yearbook Waltham High School Waltham, MA 02154

In appreciation of all of their hard work and support the staff of the 1994-95 Mirror would like to thank the following people for helping us to accomplish this difficult task:

REVIEW OF THE BACKGROUND AND ACCOMPLISHMENTS OF THE CLASS OF 1995

You have completed your studies at Waltham High School and Vocational High School and moved on to the next phase of your lives. It is worthwhile to reflect upon what you experienced during your thirteen years of formal schooling and your eighteen years of life.

During these years, the Waltham Public Schools maintained favorable class sizes, preserved remedial programs and classes for honors and advanced placement students and offered a full range of extracurricular activities.

International change characterized the lives of the Class of 1995. Wars in Vietnam, the Middle East, Central America, Afghanistan, Africa and the Persian Gulf occurred. The fall of the Berlin Wall and the collapse of the Soviet Union also led to major changes. These events affected the families of some of our students directly. In addition, our student body came to reflect the worldwide changes which contributed to immigration patterns. Approximately forty-three separate languages were spoken by our students, prior to learning English.

Number of Seniors in the Class of 1995	338
Those Planning to Attend College (4 & 2 Year)	69 %
Those Planning Other Post Secondary Study	2 %
Those Planning to Enter the World of Work	18 %
Those Planning to Enter the Military	2 %
Those Indicating Other Miscellaneous Plans	9 %

Chronology of the Eighteen Years of Life of the Class of 1995:

- 1977 Most members of the class were born this year. Four schools were closed — Hardy, Hill. Newhall and Banks Intermediate. This meant redistricting.
- 1978 The blizzard of this year caused diaper and milk problems in the homes of Waltham.
- 1979 Lawrence School closed with more redistricting.
- 1980 Students entered Kindergarten.
- 1981 Proposition 2 1/2 took effect resulting in many cuts, layoffs and changes in the schools.
- 1983 The Middle School Model was implemented. Grades 6-8 were included and Waltham H.S. and Waltham Vocational began to serve grade 9.
- 1984 School Street Elementary closed leading to further redistricting.
- 1985 Graduation requirements called the core curriculum began to be phased in with the entering freshmen (Class of 1989).
- 1987 All-day kindergarten implemented.
- 1989 School Administration building closed (488 Main St.)
- 1991 Central Middle School closed. Grade 6 returned to elementary level and kindergarten reverted to half-day program.
- 1994 Sixteen snow storms marked the school year.
- 1995 Marked the 50th anniversary of the end of World War II. Grandparents of the class of 1995 fought in this war. The class of 1995 graduated in June.

It is useful and important to reflect on the data pertaining to your graduating class and all our Waltham students. We learned a great deal from your experiences just as we hope that you learned from your time in our schools. It is clear that the graduates of the Class of 1995 lived during difficult times for our city, the country and the world. Yet, you demonstrated a dedication to learning and a resilience which is a credit to yourselves, your families and our staff.
